Subject: As requested this am. FW: Region 7 Request for FY20 TBA, USACE, CLP funds

Attachments: FY20 TBA+ Funding Request_Region 7_13Nov2019.xlsx

As I mentioned, if we come up with additional work in opportunity zones once we have committed any funds we receive for this FY to projects, it won't hurt to ask OBLR for more, sometimes they have deobligations and other funds come in later in the in the year they are willing to distribute for high priority activities.

Subject: Region 7 Request for FY20 TBA, USACE, CLP funds

Jerry,

Please see Region 7's request for TBA, USACE, CLP funds attached. Have a nice evening.

Whitney
